

**Purpose of Vision is Purpose**

The worlds of sleeping vision are infinite and collective; symbol is reality, nonsense has meaning, and Time is a toy. Existence there is, inspiration, and eternity is a day at the Park. Dream is form with function, vision with purpose. Make Pictures.

Dream and

**Wm. Michael Mott**  
Illustration & design

Mind expands—Dream is opening of inner doors, portals often forgotten upon waking. Art = Waking Dream = Memory. The Dream is real to the Dreamer; the waking world is a dream to the sleeping mind. Night's Image to daylit page is recollection of alternate reality; altered reality results.
